

## 7.09(3)(a)(3) PERMISSION FORM

Our licensing body, the Commonwealth of Massachusetts Office of Early Education and Care, requires us to obtain your written permission for your child to participate in activities that occur outside of our licensed classroom space. Those activities include occasional class walks through the West Parish Garden cemetery located opposite our building on Reservation Road and monthly fitness/movement classes that are held upstairs in our building in Fellowship Hall.

I give permission for my child to participate in the activities described above.
