

L.L.L. Preschool Tuition 2009-2010

In May, 2009, the L.L.L. Administrative Board approved a slight tuition increase for the 2009-2010 school year.

Annual tuitions are as follows:

Younger Class students attending 2 days/week - \$2232/year or \$248/month;

Younger Class students attending 3 days/week - \$3042/year or \$338/month;

Older Class students attending 3 days/week - \$2646/year or \$294/month;

Older Class students attending 4 days/week - \$3087/year or \$343/month.

The additional fee listed below reflects the difference between the deposited amount made in spring, 2009 for the month of May, 2010 and the actual tuition for May, 2010.

The Board also approved an annual enrichment fee of \$60/student payable on Sept. 1st. This fee allows us to bring in special programs and activities during the year without asking families for separate payments.
