LLL is a **NUT FREE** environment so please be sure to send your child with a nut free lunch in a labeled lunch box. Refrigeration and microwaves are not available. Please call or email if you are interested in enrolling for the year or for a drop-in spot. Pick up at 1:00 will be in the classrooms.
- Bridge to Learning:** The focus of this afternoon class will be to prepare children for a lifetime of enthusiastic learning through project driven, play-based curriculum. The Bridge to Learning program will allow more in-depth study of subject matters by devoting more time to each theme that is presented throughout the year. There is a brief rest period which is required by the Department of Early Education and Care. Be sure to send your child with a small blanket and a stuffed animal. Bridge to Learning is from 1:00-2:30 for \$35. Please call or email if you are interested in enrolling for the year or for a drop-in spot. Pick up at 2:30 will be outside on the playground. - Water Bottles** Please send your child to school every day with their own reusable water bottle labeled with their name on it.
- What to Wear:** Preschool can be a messy place filled with lots of opportunities for play and exploration. Please dress your child with this in mind. It is important that your child wear shoes that are suitable for the playground to ensure their safety on the play equipment. Sandals, clogs and dress up shoes make it dangerous to climb.
- Change of Clothes:** Please provide a large zip lock bag containing a complete change of clothes including socks and underwear. Remember to label the clothing and the bag with your child's first and last name. We will store everyone's change of clothes in bins in the bathroom in case they are needed. All clothes will be returned at the end of the year.
- Diapers/Pull Ups:** If your child is wearing diapers or pull ups, please send in a supply for us to use, along with diaper wipes. Please put them in a bag labeled with your child's name.
- Coat Hooks:** Children's jackets are hung up in the entry way coatroom for the Pre-K class and in the hallway to the classrooms for the Preschool class. Each child will have a spot labeled with their name for their coat and belongings.

Children's Cubbies:	Each classroom has their own set of cubbies. Each child will have a labeled cubby spot for mail and their art projects.
Class Lists:	Class lists will be provided to all of the families within the first weeks of school. An authorization form must be signed to be included.
Curriculum Plans:	Weekly curriculum plans are posted on the bulletin boards outside of the classrooms. A developmental preschool curriculum is always flexible and the children's interests and needs drive the daily activities. Therefore, the plans are subject to change. Curriculum plans are emailed to the families at the beginning of each week.
Playground:	We share the playground with Discover Preschool. Our playground time is from 10:30-11:30.
Parking:	The LLL entrance is on the Shawsheen Road side of West Parish Church. Please use the parking lot on Shawsheen Road for dropping off and picking up your child.
Key Fobs:	Key fobs are required to enter the building. New families will receive key fobs the week before school starts at the open house. They will be activated for the times that your child is in school. There is a West Parish Church required \$15 deposit for each fob. The \$15 deposit will be returned once the key fobs are returned.
Health Forms:	The Department of Early Education and Care requires current health forms with a yearly physical examination, a lead test and immunization records in order for your child to start school. Your pediatrician can give you a copy of the forms needed at your yearly well visit. We will let you know when your forms need to be updated.
Covid:	We will notify all families by email if there is a positive Covid case with exposure at LLL Preschool. We follow the guidelines of the Department of Early Education and Care and the recommendations from the Board of Health. They will provide the guidance on when a return to school is safe after a Covid positive case, when to test and if a mask is recommended.
Masks:	At this time, the Department of Early Education and Care is no longer requiring masks. On occasion when following the recommendations from the Board of Health, we may need to instruct you to have your child wear a mask to school. Please know that our goal is to keep our community safe and we are following the guidance of medical professionals. If you or your child have been exposed or have any Covid like symptoms, we ask that you test and wear a mask to keep our community healthy.
